

A stack of several white, glossy bowls is shown from a low angle, creating a sense of depth and repetition. The bowls are stacked on top of each other, with the top bowl being the most prominent. The word "wave" is printed on the side of the second bowl from the top. The letter "w" is in a bright orange color, while the letters "a", "v", and "e" are in a dark grey color. The background is a plain, light grey color, which makes the white bowls stand out.
